

A DASEKE COMPANY

## Logistics Transportation Specialist Job Advertisement

### Who are we?

At E.W. Wylie we have been around since 1938. We haul specialized equipment and glass. We are a fast-paced company that puts emphasis on teamwork, communication, and respect. If you are looking to join a world-class team apply today, because What Drives You, Drives Us!

### Who are you?

You are an energetic, hardworking, & driven professional. You like structured workflows with new and unique challenges offered to you every working day. You value communication and the opportunity to help a fellow team-member out. Waking up every day to come into work and provide the best support possible to our team excites you. Additionally, you appreciate efficiency, profitability, and most importantly, quality service. The drivers at E.W. Wylie will depend upon you to help them with varying needs, sometimes in ways that require you to think outside the box.

### What will you be doing?

- Review performance, coaching, ensuring timely pickup/delivery & rewarding our drivers.
- Maintaining proper lines of communication between the office staff and our drivers providing the most efficient use of time possible.
- Find new and creative ways to increase efficiency and productivity by examining current processes.
- Review drivers' pay and miles each week and prepare the next weeks schedule.
- Work with the rest of our world-class team to ensure that communication and teamwork are second to none.

### What skills you bring to the table

- Phenomenal communication and interpersonal experience.
- The capability to perform under pressure while maintaining accuracy.
- A passion for solving complex problems.
- The desire to maintain a highly organized environment.
- A desire and ability to learn our computer systems.

### Educational Background

- High school diploma or GED equivalent
- Two or four-year degree preferred, not required
- 2+ years of experience in the transportation industry preferred, not required
